BHARATI VIDYAPEETH

Nurturing Values Since 1964....

Established on 10th May 1964 by Visionary Leader Dr. Patangraoji Kadam, Bharati Vidyapeeth, the parent body of Bharati Vidyapeeth (Deemed to be University) is celebrating 60 glorious years in the education sector. Bharati Vidyapeeth today is widely acclaimed as one of the largest Educational Conglomerate in India imparting quality education right from pre-primary up to doctoral level through its 190+ institutions and 29 constituent units.

The ambit of Bharati Vidyapeeth institutions of higher education encompasses all professional disciplines which include the colleges of Medicine, Dentistry, Nursing, Audiology, Optometry, Physiotherapy, Ayurved, Homeopathy, Engineering, Architecture, Management, Law, Pharmacy, Hotel Management and Catering Technology, Environment Education, Physical Education, Health Management, Biotechnology etc.

Research today is at the center stage of every educational institution. Foreseeing it way back in 1986 Dr. Patangraoji Kadam founded two self-financed indigenous research institutes viz; R&D Centre for Pharmaceutical Sciences and Applied Chemistry; and Yashwantrao Chavan Institute of Social Science Studies and Research. Subsequently in 2001 International Research School for Health Affairs (IRSHA) was incorporated, which has collaboration with research partners from India and Abroad. These institutes have inculcated a research culture in the campuses of Bharati Vidyapeeth.

With a strong belief in social inclusion and living up to its mission statement 'Social Transformation through Dynamic Education', Bharati Vidyapeeth has spread its wings to provide educational opportunities to both the haves and have nots of the society by establishing campuses at Pune, New Delhi, Navi Mumbai, Kolhapur, Solapur, Karad, Satara and Panchgani.

BHARATI VIDYAPEETH (Deemed to be University) PUNE

In recognition of excellence in the field of education, Ministry of Human Resources Development, Government of India on recommendation of UGC conferred the prestigious Deemed to be University status to 12 institutions of Bharati Vidyapeeth in 1996. This is how Bharati Vidyapeeth (Deemed to be University) came into existence.

Later another 17 institutions were added to the ambit of Bharati Vidyapeeth (Deemed to be University). Today, it has 29 constituent colleges and another 13 schools and departments under 12 faculties namely:

1. Medical Sciences
2. Dentistry
3. Ayurved
4. Homeopathy
5. Nursing
6. Engineering and Technology
7. Pharmaceutical Sciences
8. Management Studies
9. Arts, Social Sciences and Commerce
10. Sciences
11. Law
12. Interdisciplinary Studies

All the constituent colleges are known for its excellent infrastructure, experienced and caring faculty, contemporary curricula, ICT based teaching learning methodology, thrust on research and ample opportunities for co-curricular & extra-curricular activities.

Distinctive Features of Bharati Vidyapeeth (Deemed to be University)

This University:

- The University offers 250+ programmes under 12 faculties.
- High quality all-around education with many students from all over India and 35 countries to pursue their studies.
- 24000+ students enrolled into various programmes offered by the University.
- Behind the reputation of the University are the solid credentials of accomplished and experienced 1700 + faculty members, imparting quality education.
- Excellent placement record for its students across faculties and has known industry endorsements for continuous industry institution interactions.
- Strong alumni network spread across the globe.
- Programmes are designed to enhance employability of students with focus on collaborative and experiential learning pedagogy.
- Entrepreneurship cell has been established to develop entrepreneurial skill and incubate innovative business ideas.
- University constantly encourages and facilitates its faculties to be actively engaged in academic research and publications besides their teaching assignments by establishing collaborative and interdisciplinary research links with industries and institutions around the world.
- All professional programmes are approved by respective Statutory Councils.
- As part of dissemination of knowledge, University organizes International and National Conferences, Seminars, Workshops etc, on recent and upcoming themes.
- Knowledge Resource Centre (Libraries) have an excellent collection of books, print journals, e-journals, and magazines etc. which are regularly being expanded by adding latest publications.
- Augmented infrastructural facilities including smart classrooms, tools for blended learning, laboratories equipped with latest technologies, free accessibility to Wi-Fi, lush green campuses, adequate recreational facilities, on campus residential accommodation etc.
- University is committed to engage for the welfare of the society through various schemes of outreach Programmes, field work and community engagement.

University Achievements:

Accredited with 'A+' Grade (2017) by NAAC

'A' Grade University Status by MHRD, Govt. of India

Accredited (2004) & Reaccredited (2011) with 'A' Grade by NAAC

Category-I (Deemed to be University Grade) by University Grants Commission

Recognized under Section '12 B' of UGC Act (1956) by University Grants Commission

Ranked 76th among Top 100 Universities by NIRF 2022, MHRD Govt. of India

Other Achievements of the University:

NBA

- College of Engineering have been accredited with National Board of Accreditation for its 5 UG Programmes
- B.Pharm programme of Poona College of Pharmacy has been accredited with NBA

NABH

- Bharati Hospital and Research Centre of Medical College has undergone assessments for full NABH accreditation.

NABL

- Hospital Laboratories in Pathology, Microbiology and Biochemistry have been accredited with NABL
- Centre for food testing Laboratory

FDA Approval

- NABH accreditation and FDA approval for Hospital Blood Bank, Safe-I accreditation of the NABH for Infectious diseases was also received.
- Blood Bank
- Public Testing Laboratory of Poona College of Pharmacy, Pune

Bharati Vidyapeeth (Deemed to be University)

MEDICAL COLLEGE (PUNE)

Established in 1989, the college was recognised in 1994 by Medical Council of India. The College is recognised by General Medical Council, Great Britain. The college is listed in the World Health Organisation's Directory and the students of this college are eligible to appear for USMLE and PLAB examinations. The college also runs post graduate courses in several branches of medicine.

The college provides excellent educational facilities like well-equipped laboratories, demonstration rooms, and audio-visual equipments and lecture halls. The college library building is a fine specimen of architectural beauty and provides excellent collection of books and journals with separate computers and Internet facility.

College boasts of large faculty of experienced, dedicated and student oriented teachers. The faculty is known Nationally and Internationally, for its experience and research publications.

The college has 856 bedded Bharati Hospital and Research Centre attached to it for clinical teaching and experience for post graduate and under graduate students. It is a multi-storied building well equipped with diagnostic facilities in the form of laboratory and Radiology Department with state-of-the art equipments. The ICU, NICU and PICU beds providing critical care are well known and get referrals from all over Maharashtra. The college also has well equipped super specialty services like Neurosurgery, Plastic Surgery, Nephrology etc.

The college has so far hosted many National and International Conferences, Seminars, Workshops and provides excellent educational ethos for all-round development of the students.

From the year 1998-99 we have started a Bachelor's Degree and Postgraduate Degree Programme in Optometry (B.Optom.). The prerequisites for admission to this course are the same as those for MBBS and BDS. The duration of the course is of four years (including one year of internship) and the intake for this course is 35. Those who have a two-year recognised diploma in Optometry to their credit can be admitted to the third year of the course directly. M. Optom. course is of two years duration and 10 students are admitted each year. From 2006 we have started a course of Bachelor of Audiology and Speech Language Pathology. MASLP, Master of Audiology & Speech Language Pathology course was initiated from 2010.

The students come here with a dream and we help them for its maximum fulfillment.

Optometry - A Primary Health Care Profession

Ophthalmic Optics (popularly known as Optometry) is a science, which deals with the structure, function and working of the human eye and specially in relation to Visual, Optical symptoms and Refractive errors and their correction primarily by Optical aids.

Optometry is an independent discipline accepted academically as such by the pattern of education it follows in most countries of the world. World Council of Optometry defines an Optometrist as a primary eye care professional, institutionally educated and clinically trained to examine, diagnose and correct the refractive errors of the Visual system by prescribing spectacles, Contact Lenses, Low Vision Aids and Vision therapy eye exercises to patients complaining of Visual symptoms.

The present scope of Optometric practice is far more than the historic determination of the refractive state of the eyes and the prescribing and dispensing of glasses. Today the practice of Optometry also includes the detection of ocular and related systemic diseases, the fitting of Contact Lenses and Low Vision Aids. It extends to public health-vision screening in school and industry - vision problems associated with driving and flying. It involves Optometric counseling of patients with partial sight and hereditary vision defects. Optometrists are concerned with vision care. Like physicians and dentists, Optometrists are primary eye care and health professionals.

Similar to the professional education in Pharmacy, which is required to run a chemist shop, a professional education in Ophthalmic Optics (Optometry) is necessary to efficiently manage any Optical trade including primary dispensing of spectacles. Like Physiotherapy and Orthopedics, Optometry works hand in hand with Ophthalmology in treatment of Visual disorders. An Optometrist has the following career opportunities

1. Can start his/her own Eye Clinic, Optical Shop, Lens manufacturing unit, etc.
2. Can work for eye testing, Contact lenses, squint exercises, etc. with Optician shops, eye doctors, Contact Lens and Ophthalmic lens industry, hospital eye departments, etc.
3. Can get jobs with Optician shops and hospitals in gulf countries.
4. Can do post graduation in Optometry and other related subjects.
5. Can take up teaching Optometry as a career with schools of Optometry.

Bharati Vidyapeeth (Deemed to be University), Medical College School of Optometry

Established in July 1998, the School of Optometry has been constituted under the Faculty of General Surgery and is presently situated on ground floor of Medical College building, Bharati Vidyapeeth Karraj Dhankwadi campus, Pune 411043.

Bachelor in Clinical Optometry is a full time, total four-year course. The first 3 years teaching is followed by one year of internship for clinical training. Indian Optometric Association has approved bharati Vidyapeeth (Deemed to be University), Medical College School of Optometry and the Bachelor of Clinical Optometry course.

Since August 2000 bharati Vidyapeeth (Deemed to be University) Medical College School of Optometry has been affiliate member of World Council of Optometry. Some students who have passed out from this college have secured admissions in M. Optom. course in universities in Australia and England.

Since September 2003, bharati Vidyapeeth (Deemed to be University) Medical College School of Optometry is the first Indian Institute to start a two year post graduate **Masters of Optometry (M. Optom.)** course.

The course : Bachelor of Clinical Optometry

The syllabus for the Bachelor of Clinical Optometry (B.Optom.) course aims at preparing an Optometrist who can practice independently. Admissions to the course will be at the level of 10 + 2 Science. The course will admit 40 students. The eligibility conditions for this is Std. XII with Physics, Chemistry, Biology or Mathematics subjects with minimum 45% marks.

This is a full time, total four-year course. The first 3 years teaching is followed by one year of internship for clinical and trade experience. The course lecture and practical timings are full day 9.00 a.m. to 5.00 p.m. on all weekdays. Students will be posted in Bharati Hospital Eye department, specialised Optical counters and Lens workshops associated for training by the University during the entire duration of the course.

The course has an integrated inter - disciplinary content with relevant aspects of General Anatomy & Physiology, Biochemistry, Pathology and Microbiology in the Basic Sciences and Physical, Geometrical, Dispensing, Visual and Optometric Optics in the Core courses. There will be practical training in Basic Science, Dispensing Optics and Clinical subjects. The University has tried to keep an excellent balance between basic preparation and clinical training so as to develop both professional judgment and scientific competence for the trained Optometrist.

In addition to Science, Medical and Optometry topics, there are some special courses on communication and Public relation, which are intended to augment skills of the optometrist in patient management. The courses on Accountancy and Computer programming are intended to impart instructions in various aspects of modern practice management.

The fourth and final year is of internship when the students are posted at various hospitals and speciality eye clinics and Optical establishments for clinical training and hands-on practice.

World council of Optometry recommended syllabus, training and examination pattern is being adopted. The American, British and Australian educators have accepted it and the students may be readily admitted to those universities for higher educational program leading to a Masters and Doctorate. The same syllabus is followed by the developing countries also and has been implemented at most centers that have come up in recent times - even in countries of Africa, Middle East and the Asia Pacific region.

Details regarding infrastructural facilities resources available and other activities conducted at the institute are available on its website.

Information about Master of Optometry (M.Optom.)

Objectives

To create post graduate Optometry teachers with strong academic and research background who will help develop the science of Optometry. They will be responsible and helpful to -

1. Develop expertise in assessment, evaluation, planning and intervention in achieving eye care needs of the Indian society.
2. Actively participate in community optometry programs to prevent and eliminate avoidable blindness. Effectively organise and participate in vision screening eye camps to help control blindness.
3. Practice independently as a primary eye care practitioner and render eye care services for the benefit of the society.
4. Maintain collaborative relationship with members of other disciplines to improve health care.
5. Interest in life long learning for personal and professional advancement.

Many new Optometry colleges are coming up recently but unfortunately there are no sufficient optometry educators for B.Optomety program. One of the initial objective of this program was to produce Optometry educators who are trained in formal education. There is a lot of scope for research in Optometry. The Post graduate Optometry Students role in research helps to take the new challenges of the vision problems in Indian Society.

MEDICAL COLLEGE & HOSPITAL, SANGLI

DEPARTMENT OF OPTOMETRY, BHARATI VIDYAPEETH (DU) MEDICAL COLLEGE & HOSPITAL, SANGLI

The Department of Optometry at Bharati Vidyapeeth (Deemed to be University), Medical College & Hospital, Sangli was established in the year 2005. The department stands for excellence in patient care and academic training. The department is updated with technological advancements and has the latest OPD equipment for refraction such as Autorefractometer as well as diagnostic equipment's like NCT, Corneal Topography, Specular Microscope, OCT, Fundus Camera and Perimetry. In addition, the operation theater is equipped with the latest machines such as Infinity and Constellation vision systems and high end operating microscopes where anterior and posterior segment surgeries are performed regularly. The department conducts academic teaching programs such as lectures, seminars, group discussions where optics and refraction, basic sciences and clinical ophthalmology are discussed. There is a departmental library which is equipped with the latest books on optometry and clinical ophthalmology. Ophthalmic technicians and residents are also given hands on training at refraction, retinoscopy and routine OPD procedures. The department has also been conducting weekly eye camps at Turchi and Kadegaon, Vita thus screening patients and doing cataract surgeries for needy patients. In addition, the department has also done various research projects successfully, the Palus Project for Diabetic Retinopathy being one of the recent ongoing projects.

THE COURSE : BACHELOR OF CLINICAL OPTOMETRY AT SANGLI

The syllabus for the Bachelor of Clinical Optometry (B-Optom) Course aim at preparing an Optometrist who can practice independently. Admission to the course will be at the level of 10 +2 Science. The course will admit **40 students**. The eligible conditions for this is Std. XII with Physics, Chemistry, Biology or Mathematics subjects with minimum 45% marks. This is a full time course total of three –years teaching and followed by one year of internship for clinical and trade experience. The course lecture and practical timings are full day 9.00 a.m. to 4.30 p.m. on all weekdays. Students will be posted in Bharati Hospital Eye Department, other eye hospitals, Specialized optical Counters and Lens Workshops associated for training by the University during the entire duration of the course.

MISSION OF INSTITUTION

To promote and provide improved eye care for people throughout the country by preparing the next generations of optometrists and vision researchers. To accomplish our Goal the faculty, staff and students will pursue excellence within our professional, graduate and patient care programs.

OBJECTIVES OF INSTITUTION

- I Ensure a dynamic and state-of-the-art curriculum in field of optometry
- I Foster in students a high value on curiosity, creativity, and professional integrity
- I Provide state-of-the-art training and job opportunities
- I Provide public service to the community, profession and society
- I Attract excellent and dedicated Faculty /Staff
- I Awareness of optometry and eye care in the community

AIMS AND OBJECTIVES OF THE COURSE

The Bachelor of Clinical Optometry course at Bharati Vidyepeeth (Deemed to be University) Medical College, School of Optometry follows all the recommendation of Indian Optometric Association and world Council of Optometry.

The Experts keeping in view the following aims and objectives have designed this Degree Course . The Syllabus for the Bachelor of Clinical Optometry (B-Optom) course aims at preparing a Primary healthcare Professional , an "Optometrist" who can independently undertake =

1. Estimate refractive errors of the eye and prescribe corrective measures including spectacles , Contact Lenses Low Vision Aids and Vision Therapy.
2. Detect Pathological conditions of the visual system, which are deviation from Normal. Diagnose ocular and related systemic and neurological diseases and refer the cases to other medical professionals for detailed medical & surgical Management.
3. Design, manufacture, prescribe and fit all kinds of Optical aids including Spectacles, sunglasses, Ophthalmic Lenses, contact Lenses , Low Vision aids.
4. Examine Diagnose and prescribe treatment oculo-motility malfunctions like phorias, tropias and other types of strabismus (Squint) and Neuro–muscular anomalies.
5. Undertake public health Optometry Projects and vision screening eye camp in school, colleges, urbun Slums ,Rural areas and also practice occupational Optometry In Industries.
6. Public Education on ocular hygiene related nutritional & environmental Counseling.
7. Offer a helping hand and or efficiently manage and successfully run any Ophthalmic clinic, Eye department in hospitals, Optician shops ,Optical, Ophthalmic industry & trade.

PLACEMENT:

The institute takes all round efforts in providing employment opportunities to students. The Students can use the Bharati Vidyepeeth (Deemed to be University), Medical College, School of Optometry Alumni contact file.

Multi National Company: Bausch & Lomb , Carl Zeiss, Essilor, Johnson & Johnson, L & M, GKB(Calcutta), GKB Opto Labs, Titan Eye Plus ,Reliance.

Hospitals: L.V.Prasad Eye Institute Hyderabad, Narayana Netralaya, Centre for Sight , H.V.Desai Eye Hospital Pune, Rubby Hall Clinic Pune, Lilawati Hospital, Surya Eye Hospital Pune , Shankar Netralay Chennai

Colleges : Singapore Polytechnic College , Bausch & Lomb School(Hyderabad), Nagar School of Optometry Ahamadabad , Aditya Joyt Optometry College Mumbai, Manipal College of Allied Health Sciences.

Working in Countries : USA,UK, Kuwait, Bahrain, Botswana, Dubai, Saudi Arabia, Kenya.

Higher Education : USA, UK, New –Zealand, Australia

PROCEDURE AND RULES FOR ADMISSION

1. GENERAL

BV-MOPTOM-2023 is a ranking examination for admission to **M.Optomety** post-graduate programmes for **2023-24** academic session.

The information and the rules given here in are applicable for admissions to the first year of **Two** years full time **Master of Optometry (M. Optometry)post graduate degree programme** of Bharati Vidyapeeth (Deemed to be University), Pune. This programme involves programme work, assignments, patient care in clinics and research throughdissertation projects. Educative seminars, hands-on training sessions, update workshops and special lectures will beconducted by the School of Optometry. The medium of instruction for M.Optomety post graduate programme will be English. The seats will be filled on merit, based on their performance in **BV-MOPTOM-2023 Entrance Test**, conducted by Bharati Vidyapeeth (Deemed to be University), Pune.

INTAKE CAPACITY:	
Programme	No. of seats
Master of Optometry (M. Optometry)	20

Note :

- Out of the sanctioned intake, in each course 15% seats are reserved for Foreign / N.R.I. / P.I.O. /OCI/ Institutional Quota Merit Category. Candidates desirous of getting admission under the Foreign / N.R.I. / P.I.O. /OCI/ Institutional Quota Merit category will have to apply separately on a prescribed application form and submit the same to “**The Registrar, Bharati Vidyapeeth (Deemed to be University) Pune**”. The form fee for this category is **Rs.1,000/- (non-refundable)**. Seats remaining vacant after allotment to Foreign/NRI/PIO/OCI students (based on merit), will be allotted to Indian students under Institutional Quota on the basis of merit based on the marks obtained by them in **M-EYECET-2022** entrance test. The last Date for submission of the form to this category is **18th August 2023 before 5.00 p.m.**

Only those candidates who would satisfy all the eligibility requirements as mentioned above will be considered eligible to appear in the home based online entrance test and for admission to the programme.

All the candidates seeking admissions will have to appear for home based online Entrance Test **BV-MOPTOM-2023** conducted by Bharati Vidyapeeth (Deemed to be University), Pune. All candidates will have to apply online & fil the prescribed application form at the website **www.bvuniversity.edu.in**

2 ELIGIBILITY

- Candidates should have completed Bachelor in Optometry or equivalent course from any Indian University which is recognized by Bharati Vidyapeeth (Deemed to be University) (accreditation is based on eligibility criteria, syllabus & examination pattern) and Indian Optometric Association or UGC recognized universities except open university.
- Candidates belonging to Foreign students category should have completed Bachelor in Optometry B.Optom or equivalent course from any University, which is affiliate member of World Council of Optometry (WCO) and/ or is recognized by a competent educational body like a national council / association of the country of origin of the candidate.

3. Candidates should have completed 21 years of age as on 31 December of the year of admission. A candidate who fails to fulfill the relevant eligibility requirements as mentioned above will not be considered eligible for admission to the **M. Optometry** course even if he/she is placed in the merit list of the **BV-MOPTOM-2023**. The candidates are advised not to submit their application forms for appearing for **BV-MOPTOM-2023** if they do not fulfill any or all of the relevant eligibility requirements.

3. BASIS OF SELECTION FOR ADMISSION

- 3.1 A Candidate desirous of seeking admission to **M. Optometry** Programme should fulfill the minimum eligibility condition as stated in point no.2 above. The final admission will be offered based solely on the merit obtained at the all India home based online entrance test **BV-MOPTOM-2023** conducted by Bharati Vidyapeeth (Deemed to be University), Pune.
- 3.2 He/She must have appeared for the **BV-MOPTOM-2023** home based online entrance Test, conducted by Bharati Vidyapeeth (Deemed to be University), Pune.
- 3.3 Mere appearance in the home based online entrance test and inclusion of name in the merit list does not confer any automatic rights to secure admission to the programme offered by the Institute. The selection and admission to the programme is subject to fulfilling the eligibility criteria.
- 3.4 In case two or more candidates obtaining equal marks in the **BV-MOPTOM-2023** the inter-se-merit of such candidates shall be determined in order of preference as under:
1. Candidate obtaining higher marks in the Group Discussion of entrance examination, if equal;
 2. Candidate obtaining higher aggregate marks in four year B. Optom degree examination, if equal,
 3. Candidate obtaining higher total marks in subjects of Biology, Chemistry, Physics in the 12th standard qualifying examination. (Such a tie will be settled at the time of counselling), if equal
 4. Candidate obtaining higher percentage of total marks in the 10th standard examination, if equal
 5. In case of tie at this level, computerised random selection of candidate will be carried out.

Medical Fitness

A candidate must be medically fit to undergo the professional course applied for. The medical fitness must be certified by a Registered Medical Practitioner in the prescribed proforma, as given below on a Letterhead :

Certificate of medical fitness

This is to certify that I have conducted clinical examination of

Mr./Ms.

who is desirous of admission to Health Sciences courses.

He/She has not given any personal history of any disease incapacitating him/her to undergo the professional programme. Also, on clinical examination it has been found that he/she is medically fit to undergo the professional programme.

Certified further, that he/she has not shown any evidence of major defects of posture, locomotion, vision, hearing or any other systemic disorder.

Though, following deviations have been revealed, in my opinion, these are not impediments to pursue a career in Optometry
