Hotels and restaurants industry are the major stake holder for a hospitality institute, Hotel industry and a Hotel Management institute interaction are an indispensable requirement to enrich the teaching learning process. Our institute has ensured that each faculty could get an opportunity to interact with the domain of interest which would consequently broaden the spectrum for hospitality industry exposure to students. One to one contact for the industry from institute would be highly beneficial to strengthen the interaction with the industry. The MOU signed with industries have been considerably improved. The interaction with hotels and restaurants through industrial visits and expert talk by industry expert have been carried-out in each term. The Institute is in the process of Implementing NISP ie National Innovation and Start up policy and has incepted the Institutional Innovation Cell in the year 2022. The various initiatives have been taken with regards to development of the entrepreneurial skills of students.
