Dr. Patangraoji Kadam

(1945-2018)

Founder Chancellor

Dr. Kadam came to Pune in 1961, where he completed one year Diploma Course in teaching and in 1962, started working as a part time teacher in a secondary school in Pune run by Rayat Shikshan Sanstha. Dr. Kadam obtained a Bachelor's Degree in Law and Master's degree from the University of Pune. Despite his preoccupation with educational, social and political activities, Dr. Kadam completed his research on the theme "Administrative Problems of Educational Administration in the 80s" for which he was awarded a Ph.D. in Management by the University of Pune.

Dr. Kadam established Bharati Vidyapeeth in 1964 when he was hardly 20 years old. From the beginning, his vision was to develop Bharati Vidyapeeth as a distinct educational institution. His vision and ambitions are reflected in the constitution, which was submitted to

the Charity Commissioner at the time of registration of Bharati Vidyapeeth as a Trust, wherein he had included "to establish our own University", as one of the objectives of Bharati Vidyapeeth.

His dream came true when the Government of India, on the recommendation of the University Grants Commission, accorded the "Deemed to be University" status to the 12 constituent units of Bharati Vidyapeeth on 26th April 1996. Dr. Kadam is nominated as the lifelong Chancellor of Bharati Vidyapeeth (Deemed to be University). Thus, a boy from a village having no propitious educational background became the Chancellor of a University.

Dr. Kadam is a philanthropist of repute. He has established quite a few charitable trusts through which assistance of all kinds is given to needy people, particularly to the students of disadvantaged groups.
